

TASKBRAND® CRITICAL SERIES WIPERS

TaskBrand® Critical Series wipers are designed to be used when performing more delicate and precise wiping tasks. These light-duty wipers are ideal for cleaning and wiping sensitive surfaces like glass, plastics, instruments, lenses, electronics and computer components. The box is designed to dispense one wipe at a time with lint reducing and anti-static film covers. When wiping and cleaning important surfaces, Taskbrand® Critical Series wipers are perfect for the job at hand.

Key Features

- Soft, non-abrasive, virgin tissue wipers in both 1-ply and 3-ply strengths and absorbencies
- Ideal for wiping applications requiring clean, delicate, low-lint performance
- Box dispensing covers minimize the electrostatic discharge

Applications

- Optical
- Graphics
- Manufacturing
- Laboratories
- Healthcare
- Retail
